## Statement:

- 1.All data in this database can only be used for academic research and shall not be used for any commercial purpose in any form (such as sale, resale and lease to a third party).
- 2.This database can only be used by the applicant and members of the applicant's department or research institution.
- 3.When the research results obtained by using this database are publicly released (in the form of papers, reports, publications, platforms, exhibitions or software applications), it shall be clearly stated that this database was used (for details, please refer to "related papers" on the website).
- 4.When your organization changes, please resubmit the application form or inform the administrator.
- 5.All matters not covered in this statement, please contact the administrator directly, and we will try our best to solve them.
- 6.The final interpretation right of this database belongs to the database supervisor.

I agree with all the above statements and strictly abide by the above terms when using this database

Applicant:

Date of filling: \_\_\_\_/\_\_\_\_/\_\_\_\_/
